# BMA Connect Login & Password Reset

## Setting new password:

The screenshot shows a web form for setting a new password. It includes two input fields: 'New Password' and 'Retype New Password'. The 'New Password' field contains ten black dots, indicating a password has been entered. To the right of this field, a red error message reads: 'Password must contain at least 1 alphabet,number and special character'. Below the 'Retype New Password' field is a 'Save' button. A red arrow points from the error message down towards the 'Note' section at the bottom of the slide.

Your new password must be a combination of –

1. Alphabet
2. Number and
3. special character like (@#,\$.&\*!) etc.

Your password should start with an alphabet.  
For example:  
bma@123

**Note:** This error prompt appears in case of an invalid password and will disappear once you enter a valid password. Your password will not be saved unless this error prompt disappears.

# BMA Connect Login & Password Reset

The screenshot shows a login form titled "Enter Your Login Credentials :". It contains the following elements:
